NEW VENDORS

- If your application does not meet the qualifications to be at the Folklife Fair, or if you apply and the event is sold out, you are welcome to ask to be a vendor at the Sheepdog Trials.
- In your first year of submitting an application, you may wish to apply for just one of our vending opportunities. Many vendors will vend at more than one venue after a year of experience.
- Please consider bringing someone to help you with set up, sales, breaks and tear down.
- It is recommended that you pack beverages and food since time away from your booth is not guaranteed.
- Food vendors at the Folklife Fair offer lamb dishes, but lunch lines are long and there are not many other food choices within walking distance of the park.
- If you have not attended the festival before, it is recommended that you stay through Sunday and attend the Big Sheep Parade. There are many other events you might also enjoy. Please visit the festival website for the complete Schedule.
